

Installation & Setup

Mastering n8n Interface

This screenshot shows the n8n Overview page. It includes:

- Overview statistics: Prod. executions (0), Failed prod. executions (0), Failure rate (0%), Time saved (0s), Run time (avg.) (0s).
- Workflow creation buttons: "Create Workflow" (red), "Start from scratch", and "Test a simple AI Agent example".
- Side navigation bar with links: Personal, Projects, Admin Panel, Templates, Variables, Insights, Help, and What's New.
- Bottom documentation link: https://docs.n8n.io/?utm_source=n8n_app&utm_medium=app_sidebar

n8n – Core Concepts and Terminology
